# BEAUTIFUL HEALTHY SKIN

Originally crafted for vulnerable post-procedure skin, Colorescience® health-forward formulas have improved millions of lives by providing confidence and reassurance to women of all ages, skin types, and concerns.

Trusted, recommended, and personally used by thousands of physicians; our uncompromising products offer 365-day protection against UV rays and other environmental stressors.

Blendable and breathable, our line features custom-refined minerals and nutrient-rich ingredients—everything your skin needs to age well, nothing it doesn't.

Colorescience® sets the standard for beautiful, healthy skin care. Immediate radiance, lasting results—that's our commitment to you.

## EVEN UP® CLINICAL PIGMENT PERFECTOR® SPF 50

BRIGHTEN, CORRECT, PROTECT

## ALL THINGS EVEN

Brighten, correct and protect your skin with Even Up® Clinical Pigment Perfector®. Lightly tinted and clinically tested to diminish the appearance of discoloration and immediately blur stubborn brown spots, while zinc oxide and titanium dioxide deliver chemical-free UV and environmental protection.

1

### CORRECT

Iron oxide-infused mineral perfector instantly diffuses the appearance of skin discoloration and evens skin tone

2

### PROTECT

Chemical-free, mineral SPF 50 defends against UVA/UVB and environmental stressors.

3

### BRIGHTEN

LUMIRA®, our highly effective skin brightening complex, helps reduce the appearance of discoloration over time.

## HOW TO USE

1. Dispense 1-2 pumps onto fingertips and rub between your fingers to activate
2. Apply liberally to lightly moisturized face ensuring even coverage as the first step in your makeup application
3. Follow with your favorite Colorescience® foundation and enhancers
4. Apply Sunforgettable Brush-on Sunscreen SPF 50 every two hours for continued protection

## BEFORE

Blemishes, pigmentation, and under-eye circles.

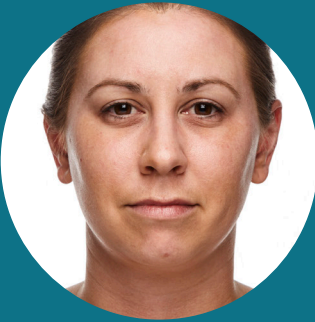

## AFTER

Immediate correction of each skin concern using Even Up® and other Colorescience® products.

## CONTINUED USE\*

Without makeup, even skin tone after 18 months of continued use of Even Up®

*\*Individual results may vary*

## RECOMMENDED WITH EVEN UP®

### NATURAL FINISH PRESSED FOUNDATION

Forget you're wearing foundation with Natural Finish Pressed Foundation SPF 20. A lightweight, hydrating, and protective formula that reveals your smoother, radiant complexion.

### MINERAL CORRECTOR PALETTE

Instantly correct the look of imperfections. Complete with 5 shades to neutralize red, blue, and yellow tones; this versatile palette provides long lasting, natural-looking coverage.

### SUNFORGETTABLE® BRUSH-ON SUNSCREEN

Beauty begins with protected skin. Sunforgettable® Brush-on Sunscreen offers powerful SPF 50 UVA/UVB defense, alone or over makeup. Broad spectrum SPF and finishing powder in one simple, on-the-go application.

### HYDRATING MIST

Soothe skin, lock in makeup and revitalize your complexion throughout the day with moisture-rich Hydrating Mist.
